

May 14TH, 2008

**Board Members present:**

**Terry Lynch, Larry Rudy, Chuck Simpson, Ray Perry, Carlos Landa, Dick Behm and Milt Neuman.**

**Special Guest:**

**Council member: Rose Dempsey**

**The candidate discussions were wide ranging and allowed for some serious questioning from the attendees and directors. In particular the issue of one way/ two way of Sprague Avenue (not an issue for a State Representative) was considerable with Mr. Shea.**

**The issue of Setback was aired considerably by Mr. Mike King and Carlos Landa as relates to building regulations. This issue will be revisited at the June meeting.**

**Respectfully posted for the SVBA**

**R. Terry Lynch, President SVBA 2008**
